

SHOWN: WT-55-W · WHITE

2 LIGHTS + 1 SHUTTER

● SPARK WT-55-W · WI-FI TOUCH LIGHT & SHUTTER SWITCH

Lights and shutter. One glass panel.

The Spark WT-55-W is a Wi-Fi touch switch that runs two lights and one shutter or curtain motor from a single glass-look panel: lights on the left, open and close on the right. Connected to your home Wi-Fi.

● Wi-Fi

● Touch keys

● 2 lights

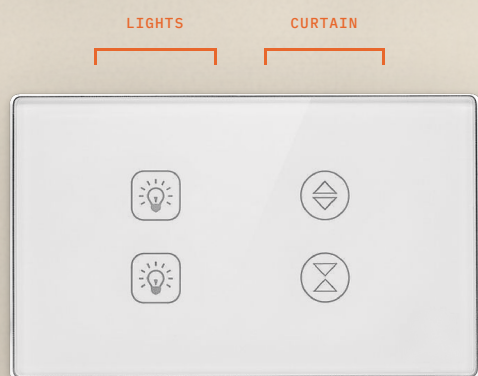

● 1 shutter or curtain

● Glass-look panel

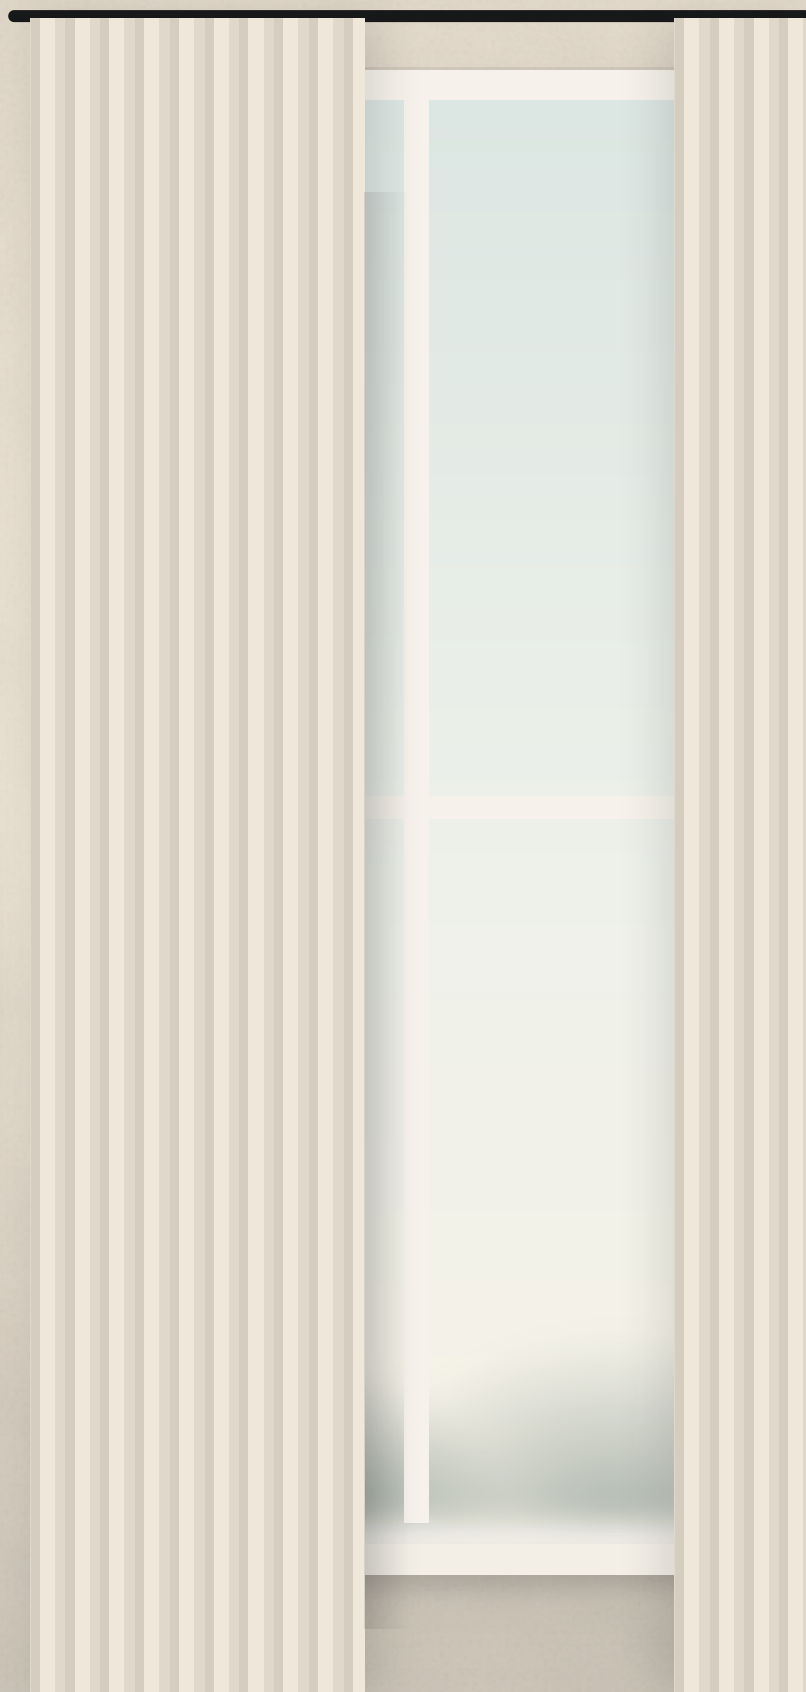

● LIVING ROOM

Light and daylight.

Two lights and a curtain from one panel. Touch the left keys for the lights, the right keys to open or close.
